REPORTS

EXECUTIVE DIRECTOR'S REPORT – NIP Group – J. Hall

- **2017 Mid-Year Actuarial Report & Fast Track Status** – Mr. Hall advised that the first draft of the Actuarial Report has been received and is being reviewed for finalization. Once the Actuarial Report is finalized, the Fund will circulate to all Commissioners a finalized Fast Track report for June and following.

TREASURER’S REPORT – P. DeBlasio

- Mr. DeBlasio reported that monthly financial report and cash management account has been reviewed. He advised that the Fund has met all outstanding obligations and its financial position is secure. There were no questions.

UNDERWRITING REPORT – Robert Smith (NIP Group)

- **Marketing Updates** - We have begun extensive meetings with all our excess partners. We recently met with Travelers to discuss the property placement and in the coming weeks we will be meeting with Safety National to discuss the xs WC and then with Brit to discuss the casualty placement. Our goals are to look into enhances coverages and get the most competitive rates. In the meantime our underwriting partners at BGIA are exploring other markets.
- **2018 Member Renewal Process** – We have utilized a new marketing system for communications with the renewal. If any risk manager is not receiving emails from our dept. regarding the renewal, they should contact me immediately. Loss runs were due on July 14th, so please get them in ASAP. For the WC loss runs, we need 2007 to the date joined and for all other lines we need from 2012 until the date joined. All apps and updated schedules are due by August 11th. As in years past, we have utilized a trending factor on the payroll and property (location only, no contents) that falls in line with NJ averages. If these trends are acceptable, no updating of the schedules needs to be done aside from adding any new items or deleting old items. Should there be any issues or questions, please do not hesitate to contact the underwriting department.

SAFETY DIRECTOR – PMA Group (K. Child) and NIP Group (A. Ven Graitis)

Safety Recap –

- **Cyber Summit** - The Cyber Summit was held on July 20 at the Union Township Senior Center. The most pressing cyber threats were discussed while best practices in security and risk management were outlined. Over 75 employees attended the seminar in person and remotely via the live streaming video. Sample policies and templates were provided to all members.
- **When Words Fail** - The fourth WWF session was provided on July 19 at Neptune High School. The training provides police officers with communication skills that will enable them to de-escalate combative subjects without compromising officer safety. Course attendees learned how to utilize their Body Worn Cameras as an evidence-gathering tool, and as a mechanism to defend officer actions during verbally and physically combative situations. Following the interactive classroom training, course attendees learned physical control techniques that will enable the

officer to control a combative subject without using punches, kicks, strikes, or choke holds. The combination of conversational tactics, and hands-on training taught in this course will help to drastically reduce officer and agency liability and improve both officer and citizen safety. 3 to 4 additional sessions are scheduled for this fall and winter.

- **Police Roundtable** - The next police committee is scheduled for August 24, site still to be determined. Speakers will include Chief Parham of the City of Linden Police Department, Dr. John More of Response Law, and Dr. Denis Connell, of Connell Consulting. Topics will include Class III officers, writing reports, and a method to track incidents and reports of Police officers.
- **Crossing Guards** - It's the time of year for municipalities to review their crossing guard program and interview and hire employees. Employees should be properly training, equipped with the proper PPE to do the job, and also receive a mandatory physical to verify hearing, sight and mobility so prospective crossing guards are verified as being able to perform the job functions safely.
- **Wellness** – Summer Slim Down Results Approximately 200 employees participated from 9 member municipalities in the Summer Slim Down Challenge. Employees lost 518 pounds in total, or approximately 2.68 pounds per employee. Awards exceeded expectations and totaled \$2,541. A great job by everyone!
- **Risk Survey Recap (PMA Companies)** – Dave presented on PMA's study released at the national PRIMA conference in June 2017. The findings of the study were released showing seven key risk control findings of the over 200 risk managers who participated in the study including developing a stronger safety culture and safety attitude amongst managers, the aging work force, wellness and the impact of poor health, and resources available to Risk Control.

CLAIMS REPORT – NIP Group - C. Cyriax

- **Key Performance Indicators of Claims Activity** - Conrad Cyriax provided the Commissioners with the Claims Report. Key performance indicators of Claims Department activity were fully discussed including the number of new claims received and the sum of claims closed during the preceding month. Frequency trends affecting the Fund were discussed as well as other critical measurements of Claims Department activity such as closing ratio and recoveries.
- **NJ Media vs. Lyndhurst – Dash Cams** – Jim Renner provided an overview of the recent NJ Supreme Court ruling with regard to the release of police dash-cam videos involving police shooting incidents. The state supreme court has ruled that these videos are a matter of public record and must be released subsequent to formal OPRA Requests.

NEW BUSINESS

OPEN FORUM

MOTION TO ADJOURN

Commissioner Marvin made a motion to adjourn the meeting at 12:08PM and Commissioner Quinn seconded the motion. Motion carried unanimously.
